

Disasters can strike without warning. **Are you ready to evacuate without notice?** The **LSDS 24 Hour Egress Bag** is a **custom-built emergency “go bag”** containing everything you need to be prepared should a natural or man-made disaster require you to **evacuate for a full 24 hours.**

24 HOUR EGRESS BAG

HOW IT WORKS

STEP

1

Intake Call with LSIDS

The personalization process begins with an in-depth intake call with one of our specialists to determine your specific 24 Hour Egress Bag requirements - individual medical concerns, bag sizing, geographic location, environmental factors, and any other impacting factors.

STEP

2

Customized 24 Hour Egress Bag Build

- ▶ One of our subject matter experts reviews your intake information and digitally builds a customized bag for you based on your specific requirements.
- ▶ Building a 24 Hour Egress Bag a bag is a team effort, so we'll provide updates and request your input throughout the process. If an item isn't exactly what you want or need, we'll exchange it until it is perfect.
- ▶ Once the bag build is complete, we'll submit it to you with an invoice for final approval prior to procuring the items. Upon approval, our team will get to work procuring items and prepping them for use.

STEP

3

Delivery & Bag Introduction

- ▶ Once all items have been received, your 24 Hour Egress Bag will be professionally packed and shipped directly to your door.
- ▶ Each bag is 100% ready to use immediately upon delivery, with no assembly required.
- ▶ Once your bag has arrived, one of our subject matter experts will schedule a call with you to review the contents of your bag and best practices for use.
